

Rev. Wesley Wakefield

Our God is able for He is God! "He is able to save" - the "Gospel of Christ...is the power of God unto salvation" forgiving and setting free from the guilt, power, life, and condemnation of sinning "unto him that believeth" - that turns from sin in repentance toward God and constant faith in our Lord Jesus Christ - a faith that works by love.

More than all this "He is able to save them to the uttermost" - fully purging, purifying, permeating, and possessing the whole believer with holiness of heart and life that we are always only fully and utterly our Lord's to "grow in grace" until we see Him "face to face" on that Great Day - "even so come Lord Jesus" - in the meantime we "occupy until He comes" - walking in the Light, keeping a clean heart, watchful unto prayer, and compassionate in our service for our Lord and Saviour.

*They must have turn to God in repentance and have
faith in our Lord Jesus.*

NMI Emphasis for June: World Mission Broadcast

World Mission Broadcast (WMB) and Nazarene Missions International (NMI) have a long history of partnership and the annual offering for WMB remains as one of the offerings NMI officially supports. The offering provides resources that reach millions of people around the world with the Gospel.

While traditionally received in June, an awareness emphasis and offering for WMB can be done anytime during the year, ideally where it fits best within your church's calendar. The offering provides funding for Nazarene radio, television, and Internet program production, airtime, and follow-up strategies.

The current World Mission Broadcast ministry statistics are:

34 Languages

72 Countries

140 Programs

The offering received in local Nazarene churches is the life-blood of the WMB ministry. Because of it, Nazarene programs are able to stay on the air and tell the world about Jesus.

Sponsored Children Request for Help

Would anyone be interested in taking over the rewarding task of writing to our 4 sponsored children in other parts of the world. It would involve sending cards for their Birthdays, Christmas, and Easter. A short encouraging note should be included. All costs will be covered. I would be willing to help the person taking this on.
