

Rev. Wesley Wakefield

“But when all has been done, the feeling grows only more strong that there is another and higher understanding of the Bible without which all else is vain, Not merely to know the meaning of the narrative of Scripture, but to feel their eternal import, to experience in ourselves, so to speak – this is the only profitable study of Scripture, to which all else can only serve as outward preparation, where the result is reproof, correction, and instruction in righteousness. The Teacher must be the Spirit of God, by whose “inspiration all Scripture is given” But the end of all is Christ – not only “the end of the law for righteousness to everyone that believeth” but also He in whom all the promises of God are “yea amen.”

NMI Emphasis for February: Alabaster

The Alabaster Offering provides funds for property and buildings around the world. While we understand the church consists of the people of God and not a building, buildings erected for the purpose of ministry help provide a sense of permanence, functionally enhance ministry efforts, and convey an attitude that the Church of the Nazarene intends to "put down roots." Alabaster funds help provide land for many Work & Witness projects, and the entire Alabaster Offering goes toward the purchase of land and construction of churches, schools, medical facilities, and homes for missionaries and national workers.

Remember Our 4 Sponsored Children

If every person who attends gave \$1
per month, we would have enough to
cover the cost of supporting these
children. \$120/(US) monthly is
needed. Thank you for your help!
